Online Registration for 7th Annual Nonprofit Seminar Opens September 19th

RANCHO CUCAMONGA – On September 19th, local nonprofit representatives can register online for the award-winning Nonprofit Resource Seminar being held on Oct. 8 at the Central Park Community Center in Rancho Cucamonga, Board of Supervisors Chairman Paul Biane announced Thursday.

“Nonprofits provide a lot of beneficial services in our communities such as home-delivered meals for the elderly, sports activities for youth, and meals for the homeless, but they can’t offer those services if they don’t have the funds or the know-how to keep their nonprofit viable,” Biane said. “I started the Nonprofit Resource Seminar to give local nonprofits the information and tools they need to secure funding, strengthen their organizations and remain viable resources for residents.”

The 7th annual Nonprofit Resource Seminar features workshops geared to help nonprofit groups secure funds, create partnerships, promote their organizations and more. Professionals in fields such as nonprofit fundraising, marketing, strategic planning, and board development will teach the workshops. The seminar is broken down into three sessions that last about an hour each. Participants get to choose from a list of workshops for each session so they can tailor their learning experience to their needs.

In addition, the Funders Forum – a panel discussion featuring representatives from Union Bank of California, the Verizon Foundation and Washington Mutual – will be held

during the lunch hour. Nonprofit representatives will have an opportunity to ask panel members questions.

The seminar will be held from 7:30 a.m. to 1:30 p.m. on Wednesday, Oct. 8 at the Central Park Community Center located at 11200 Baseline Rd. in Rancho Cucamonga. Lunch will be provided to seminar participants. Nonprofit representatives can register for the seminar online at www.sbcounty.gov/biane.

The Nonprofit Resource Seminar is made possible thanks to the help of many generous sponsors including the Majestic Realty Foundation, Southern California Edison, Verizon, e-Civis, and the City of Rancho Cucamonga. Please call (909) 945-4297 for more information about the seminar.
